

Find a Delta Dental participating dentist

Your Delta Dental plan allows you to visit any dentist you like. However, there are advantages to choosing a dentist who belongs to one of Delta Dental's two dentist networks—Delta Dental PPO™ and Delta Dental Premier®. You'll likely save the most money and receive the highest levels of coverage when you visit a Delta Dental PPO dentist. If you visit a dentist who does not participate in Delta Dental PPO, you can still save money if that dentist participates in Delta Dental Premier.

To find a participating dentist in your area, follow the simple steps below.

» Step 1

Visit www.deltadentalmi.com.
Click one of the **Find a Dentist** links.

You may also go directly to
www.deltadentalmi.com/findadentist.

» Step 2

Select the drop down arrow in the top right corner and then select **Delta Dental PPO and Delta Dental Premier**.

You may also scroll to the bottom of the page and select **Search**.

» Step 3

The **Specialty** menu defaults to any dentist. If you want to search for a specific specialty, select the specialty from the drop-down menu. Then, select the **Your plan** menu and choose the appropriate network option for you.

- **Delta Dental PPO**—all providers who participate in Delta Dental PPO.
- **Delta Dental Premier**—all providers who participate in Delta Dental Premier.
- **Delta Dental PPO plus Premier**—all providers who participate in both Delta Dental PPO and Delta Dental Premier.

The screenshot shows the Delta Dental website's search interface. At the top, there's a navigation bar with links: Shop for insurance, Member, Dentist, Employer, Broker. Below this, a search bar is present. The main heading is "Looking for a dentist?". Below the heading, there's a prompt: "Find in-network dentists in your area by entering your ZIP code below. Don't know which plan you have? Sign in to your account, check your Delta Dental ID card or contact your Delta Dental." There are two dropdown menus: "Specialty" and "Your plan". Below these, there's a section "Search by current location:" with radio buttons for "Yes" (selected) and "No". A green "Find dentists" button is at the bottom. To the right, there's a section titled "Why choose an in-network dentist?" with a "Read more" button.

The search will display results that fit your criteria, and whether or not those providers also participate in other networks.

Next, select **Yes** to search by current location or **No** to search by address or ZIP code. *Choosing "Yes" may require you to change a location setting or you may need to go back and select "No" and manually enter your physical address if you receive an error message.*

Select **Find dentists** to begin search.

» Step 4

Your results will be displayed. You can change your original search criteria for specialty, network, and address at the top of the page or sort your results by distance and number of results. By selecting **More options** you will see additional search criteria such as extended hours, accepting new patients, languages spoken and gender. You can also search for a specific dentist by name or office name. Once you have selected all of your search criteria, select the green **Submit** box to get your search results.

In addition to viewing your search results online, you can print or email your results, or view your results as a PDF under **My list**. To add dentists to your list, select the **Add to my list** or **Add all to my list** check boxes.

Once you have added results to your list, select the down arrow to save as a PDF, print or email your list.
